Delta Imagination Library was launched in May of 2012. Since its inception nearly 250 children within the Delta/Greely community have received new books in the mail each month. In the year 2013 alone, 2445 books were delivered into the hands and homes of our children. We hosted family engagement events in the spring and winter of 2013 and will continue to hold family centered community activities in the future. Our next event is focused on interactive reading with the goal of getting children more engaged during story reading. All of the work to maintain this program and conduct the activities is done by a team of enthusiastic and generous volunteers. 100% of all donations and funding to go directly towards providing books. We are actively recruiting children and expect to continue increasing our numbers throughout the coming years.
