Funding Already Secured: (\$100,000)

FY2015 State Funding Request: (\$4,400,000)

Project Deficit: \$0

*Funding Details:**Design study and land purchase (FY2014) \$100,000***Detailed Project Description and Justification:**

GlennRich Fire Rescue provides fire and rescue services to Glennallen and the surrounding area. The existing fire station is substandard, not capable of holding modern equipment, and has structural deficiencies. The building has no storage, office, meeting, or training space. In addition, the building is an eyesore.

A new facility will allow the department to improve service through improved equipment during future years and help attract additional volunteers by allowing the department the opportunity to be proud of its facility.

The funding request for this project is based upon similar projects in other communities.
