**Additional Information / Prior Funding History:****Project Description/Justification:**

This project will construct a 24,440 square foot addition to the existing 4,514 square foot high school. The high school, which was built in 1979, will be completely renovated. The 34-year-old BIA elementary school will receive abatement of hazardous materials and be surplus. The school is currently operating at 258 percent capacity and is expected to reach 344 percent capacity by FY2007. Proposed cost: \$12,394,682.
