Totals:	0	0

Additional Information / Prior Funding History:

Project Description/Justification:

This project will reroof the 24,408 square foot, 51-year-old school and upgrade it to meet current building codes. Fire alarms are not provided throughout the facility, doors are not adequately fire rated, and windows are inoperable because of warped and damaged frames. Electrical and mechanical systems are old and ADA compliance is poor. Proposed cost: \$8,299,749.
