Project Description/Justification:

This project is designed to renovate the 30 year-old, 36,773 square foot Evergreen Elementary and 20-year-old, 20,967 square foot Stikine Middle School. The project will correct current building code and condition deficiencies that have been addressed in the I998 Facility Condition Survey including: renovation of the existing restrooms, an electrical system upgrade, improvements to the ventilation system, and construction of a 500 square foot addition to house two new boilers. Proposed cost: \$1,755,714.
