Project Description/Justification:

This project involves new construction to replace the 33-year-old, 11,392 square foot elementary school that is beyond renovation. It will consolidate space at the existing 1979 high school by adding 30,450 square feet and renovating the 9,400 square foot facility. Planning and design have been completed on this project with FY94 funds. Proposed cost: \$14,663,558.
