**Project Description/Justification:**

This project will update major systems in the 27-year-old, 75,486 square foot structure, which are now reaching the end of their life expectancy. Repair is needed to the building envelope, interior partitions, and folding doors. The roof, interior and exterior doors, windows, carpeting, flooring, ceramic tile, ceiling tile, bathroom fixtures and partitions, chalk boards, underground fuel tank, light fixtures, power devices, and ventilation, public address, and fire alarm systems need to be replaced. The electrical system needs to be upgraded to meet code, and a security system needs to be installed. The interior needs to be painted. Proposed cost: \$5,185,261.
