**Project Description/Justification:**

This project will construct a 24,343 square foot addition to the existing 20,244 square foot school that was built in 1990. The school is currently operating at 209 percent capacity and it is expected to reach 298 percent capacity by FY2007. The addition will include ten classrooms, six specialty classrooms, four storage spaces, two room enlargements, two locker and shower rooms, a teacher workroom, and offices. Proposed cost: \$9,596,440.
