**Project Description/Justification:**

This project will construct a 17,302 square foot addition to the current 14,628 square foot high school that was built in 1979. The high school will be completely renovated. The existing 37-year-old, 7,569 square foot elementary school will receive abatement of hazardous materials and will be surplus. Proposed cost: \$11,224,244.
