Additional Information / Prior Funding History:**Project Description/Justification:**

This project is the purchase two acres of adjacent land on which to construct an addition to the 29,176 square foot school, originally constructed in 1981 and added to in 1986. The addition will encompass 18,468 square feet and include five classrooms, three specialty classrooms, a library, storage room, counselor's office, circulation and mechanical spaces, and two room enlargements. This will liberate three portable classrooms, two of which will be demolished and the newest of which will be remodeled into a housing unit for teachers. The design and planning phase for the project is recommended for current funding. Proposed cost: \$7,156,739.
