	<u>Amount</u>	<u>Staff</u>
Project Development:	0	0
Ongoing Operating:	0	0
One-Time Startup:	0	
Totals:	0	0

Additional Information / Prior Funding History:

Vehicles will be purchased with the proviso that if a coordinated system becomes available within the usable life of the vehicle it shall be used in the coordinated system. These funds may also be used for start-up operating costs, as long as they directly relate to the establishment and early operations of a coordinated system, and there is a feasible funding plan provided for on-going operations after the start-up support is withdrawn.
