

**Anchorage International Airport: Advance Project Design**      **FY2001 Request: \$1,500,000**  
**Reference No: 32490**

**AP/AL:** Allocation      **Project Type:** Planning  
**Category:** Transportation  
**Location:** Anchorage Areawide      **Contact:** Kurt Parkan  
**House District:** Anchorage Areawide (HD 10-26)      **Contact Phone:** (907)465-3900  
**Estimated Project Dates:** 07/01/2000 - 06/30/2004  
**Appropriation:** Airport Improvement Program

**Brief Summary and Statement of Need:**

Complete planning, studies, preliminary engineering, NEPA documentation and design for projects in the Six Year CIP such as those listed below:

- Airfield Pavement Rehabilitation
- Romeo Apron Reconstruction
- Roads/Utilities Upgrades
- General Aviation Improvements
- Cargo Letter of Intent Projects
- Waterline Replacement - NT
- Engineering Contracts - Planning and design funds for small projects including projects to improve operations, safety, or required by tenants or the FAA

Project Development:	0	0
Ongoing Operating:	0	0
One-Time Startup:	0	
<b>Totals:</b>	<b>0</b>	<b>0</b>

**Additional Information / Prior Funding History:**

**Project Description/Justification:**

Design funds are requested prior to construction funds to delay impacts on airline fees, allow estimates to be refined before requesting construction funding, and place ANC in a better position to compete for federal discretionary funds. Some projects will be completely planned and designed while others will only be planned and designed to a schematic level.
