

Anchorage International Airport: Lakeshore and Aircraft Drive Separations

FY2001 Request: \$1,300,000
Reference No: 32499

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Anchorage Areawide

Contact: Kurt Parkan

House District: Anchorage Areawide (HD 10-26) **Contact Phone:** (907)465-3900

Estimated Project Dates: 07/01/2000 - 06/30/2004

Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:

Resurface, reconstruct, and realign on portions of Lakeshore/Aircraft Drive and construct a second surface to separate the unsafe mix of aircraft, vehicles, and pedestrians.

Additional Information / Prior Funding History:

Project Description/Justification:

The south end of Lakeshore Drive/Aircraft Drive is the original 1972 pavement and has severely deteriorated. Vehicles, aircraft and pedestrians share the same surface on portions of Lakeshore Drive creating a potentially hazardous condition. The potential liability from this unsafe mix of uses could easily exceed the cost of this project. The Airport Master Plan recommends this project and the general aviation pilots, FAA, Airport Operations and Safety support it.

This surface is used by Rust's Flying Service, Civil Air Patrol, US Fish and Wildlife, Troopers, museum customers and others. This project would realign the southern portion of Lakeshore/Aircraft Drive, construct a second surface to separate aircraft and vehicles, and provide pedestrian accommodations.
