AHFC will apply for grants and utilize those grant funds to target services to families and persons who are eligible for public and/or assisted housing. Grant funds within this category may be used to prevent and reduce crime and substance abuse in public housing and to aid PHD-assisted families to attain economic self-sufficiency. These programs also help implement welfare reform efforts of the state. Where required as a condition of funding, AHFC may provide the needed match. Examples of previous grantors include the Robert Wood Johnson Foundation, the Department of Education, U.S. Dept. of Housing and Urban Development and the U.S. Dept. of Health and Human Services. This line item also enables AHFC to receive additional housing assistance from HUD in the form of Section 8 housing vouchers. Some of the funds received may be passed through to local non-profit or government agencies to deliver the appropriate services throughout the state.
