Additional Information / Prior Funding History:
UA is engaged in several operating partnerships with industry working toward meeting state needs through University Receipts and Federal Funding. These partnerships include but are not limited to the following:
-Early Childhood Development Program
-Knowledge Worker Program
-UA Corporate Program

Project Description/Justification:
This authority is needed to accommodate small renewal and renovation projects with University receipts. For instance, if in a partnership with industry, UA needs to retro fit a lab, the authority in this line item would allow UA to proceed.
