Project Description/Justification:

This project funds local community jails facilities maintenance, repairs and renovations, and life and safety equipment necessary for the safe operation of each local jail facility.

The Department of Corrections has fifteen (15) Local Community Jail contractors that handle up to 153 state prisoners per day. These facilities have maintenance, renovations and repairs, renewal and replacement, and equipment needs just as much as the State-owned institutional facilities.

Items that need to be addressed annually are life and safety equipment, alarm system repairs, sprinkler and ventilation projects, water and sewer equipment, washer and dryer equipment replacement, storage equipment, portable radios, kitchen equipment, booking ID cameras, intercom systems, security equipment, heating and ventilation systems, and other facility equipment.

Local Community Jails are as follows:

Contractor	# Beds	Annual Manday Capacity	Maximum Days Held
Bristol Bay Borough	4	1,460	15
Cordova	6	2,190	7
Craig	7	2,555	15

Community Jails Safety, Security Renovations and Equipment
