**Brief Summary and Statement of Need:**

This project will complete the Terminal Master Plan and begin implementation of terminal modifications identified during the planning process. It will address the more immediate Transportation Security Agency mandates and provide code compliant facilities. Work will include repair, replacement, reconfiguration, relocation and upgrade of terminal building elements, its physical systems (HVAC, electrical, plumbing, access control), the associated air and landside facilities (jetways, roads, bus staging, aircraft aprons and parking), the building envelope (roof replacement, painting and glazing) and interior finishes.
