The Community Quota Development (CDQ) program has had enormous success and rapid growth. The administrative demands of the program have become fiscally complex to the extent that the highly specialized financial analytical skills of certain professional staff in the Division of Banking, Securities, and Corporations are needed for the effective oversight of the CDQ program. Consequently the CDQ program is transferred from the Division of Community Advocacy to the Division of Banking, Securities, and Corporations. The transferred PCNs are: 08-2210, 11-5129, 08-2214, and 21-2044.

1156 Rcpt Svcs	-157.5	Transfer 2 Investigator positions (PCN 08-2022 & 08-2041) from Occupational Licensing to Banking, Securities and Corporations. The division management has done a complete review of the division's historical case load and the allocation of the work load among the investigative staff. It has been determined that the transfer of two of the division's trained investigators to the Division of Banking, Securities and Corporations will provide the best utilization of the department's workforce with no adverse impact to the division. This reduction in workforce may result in a slight reduction in occupational licensing fees.

1156 Rcpt Svcs	-133.0	Delete 3 Investigator positions (PCN 08-2100, 08-2033 & 08-#016). The new investigative policy procedures being instituted by the State Medical Board will have a significant effect in reducing the number of investigations. This coupled with the fact that division is somewhat overstaffed allows the division to eliminate two positions and still maintain a high level of efficiency. This reduction in workforce may result in a slight reduction in occupational licensing fees.

1156 Rcpt Svcs	10.0	This increment will allow the division to contract for the services of an additional hearing officer. The division is concerned that the workload for the division's one hearing officer is significant enough to cause some decisions to be rendered almost a year after the hearing is held. The ability to contract with an additional hearing officer will allow litigation cases to be processed in a more efficient and timely manner. Funding for this increment would come from Receipt Supported Services.
