

State of Alaska FY2006 Governor's Operating Budget

Department of Education and Early Development Special Schools Component Budget Summary

Component: Special Schools

Contribution to Department's Mission

To provide financial resources for educational services to students in special school programs.

Core Services

These funds provide supplementary educational services to students with severe disabling conditions and the Alaska Challenge Youth Academy. The resident school where the child would normally be placed does not have the resources to provide an adequate educational program. Without the supplementary services the child's needs would not be met by the local school district in most cases.

The following programs are included within this component:

Special Education Service Agency (SESA) - This agency is governed by the Governor's Council on Disabilities and Special Education. It provides out reach services to school districts that serve low incidence severely disabled students. AS 14.30.600-660 \$2,069.1

Providence Heights School - This program is operated by the Anchorage School District. Students enrolled in this program are patients of the Alaska Psychiatric Hospital (APH). The educational program is an important part of these students' treatment. 4 AAC 33.060 \$145.0

Alaska School for the Deaf - The instructional program is currently operated by the Anchorage School District. The district receives foundation funds for the students enrolled; \$319.0. The Department of Education & Early Development provides funding for the residential program through a Reimbursable Services Agreement with the Department of Health and Social Services; \$637.4. Students from outside Anchorage are housed in group and foster homes while they are attending school. 4 AAC 33.070

Alaska Challenge Youth Academy Program - This instructional program is operated in Anchorage with student enrollees from across the state. Students work on challenging academic programs in a "boot camp" environment. Completing high school and building career goals and skills are the goals. AS 14.30.740 \$4,299.1
