Additional Information / Prior Funding History:

FY2001 - \$225,000; FY2000 - \$55,000.

Project Description/Justification:

The new access road will connect the community with its new landfill. Construction of the new landfill site is a separate project, sponsored by another agency, and is being undertaken in part to provide the required separation distance from the airport. Construction funds for the new landfill are anticipated to come from the Environmental Protection Agency, Bureau of Indian Affairs, and the United States Department of Agriculture.
