

Central Region: Temporary Snow Removal Equipment Buildings

FY2006 Request: \$200,000
Reference No: AMD 40552

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Statewide

Contact: Kip Knudson

House District: Statewide (HD 1-40)

Contact Phone: (907)269-0724

Estimated Project Dates: 07/01/2005 - 06/30/2010

Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:

Specify, order and setup a pre-fabricated temporary Snow Removal Equipment Building that can be quickly assembled and disassembled and moved if necessary. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

There are currently graders in Chefnak and Kipnuk but there are no snow removal equipment buildings. Because ADOT/PF has airport relocation projects in progress at both locations, a temporary structure needs to be put in place to protect the equipment from the elements until a permanent building can be constructed at the new locations.
