

Cold Bay: Airport Rescue and Firefighting Building Expansion

FY2006 Request: \$685,000
Reference No: AMD 40555

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Cold Bay

Contact: Kip Knudson

House District: Bristol Bay/Aleutians (HD 37)

Contact Phone: (907)269-0724

Estimated Project Dates: 07/01/2005 - 06/30/2010

Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:

Construct a one-bay addition to the existing Airport Rescue and Firefighting (ARFF) building to adequately house the new ARFF vehicle. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

The existing structure is too small for the new airport rescue and firefighting vehicle. The ARFF truck can barely fit inside the existing building. It requires two personnel to maneuver the vehicle because the tolerances are very small. Access to the other interior facilities and equipment is severely limited when the ARFF truck is inside the building.
