

State of Alaska
FY2007 Governor's Operating Budget

Department of Health and Social Services
Senior Residential Services
Component Budget Summary

Component: Senior Residential Services

Contribution to Department's Mission

To allow tribal elders to remain in their communities near their families.

Core Services

This component provides grants to two rural providers (Manillaq Association and Tanana Tribal Council) for group residential living with supportive services for frail rural elders. These facilities and local services offer an alternative to elders who may otherwise have to leave their cultural region to live in an urban institution. Elders contribute to their room and board. Grant funding subsidizes the operating costs of the program.

The rapid growth in the Alaskan senior population.

No growth in state resources for the Senior Residential Services programs.

Sufficient grantee training to provide adequate CHOICE and assisted living services.
