FY2006 - \$2,000,000 Congressional Earmark. SAFETEA-LU Earmark Local match is required

Project Description/Justification:

The scope of work for this project includes reviewing the Project Analysis Report with current information and determining the evacuation road option that will best serve the needs of Point Hope residents and the North Slope Borough. Design, right-of-way, permitting, land acquisition and material site identification will follow. Scope also includes rebuilding the existing Kupak Road, the road that leads out of the community along the proposed evacuation route. It is expected that the North Slope Borough will provide the match.
