

**Ted Stevens Anchorage International Airport: Integration with DOT&PF Maintenance Management System**

**FY2007 Request: \$100,000**  
**Reference No: 41540**

**AP/AL:** Allocation **Project Type:** Information Systems  
**Category:** Transportation  
**Location:** Anchorage Areawide **Contact:** John Torgerson  
**House District:** Anchorage Areawide (HD 17-32) **Contact Phone:** (907)269-0727  
**Estimated Project Dates:** 07/01/2006 - 06/30/2011  
**Appropriation:** Airport Improvement Program

**Brief Summary and Statement of Need:**

This project will help to maximize airport safety, effectiveness and efficiency.

<b>Totals:</b>	<b>0</b>	<b>0</b>

**Additional Information / Prior Funding History:**

None.

**Project Description/Justification:**

Proper preventive maintenance on state owned buildings can avoid costly deferred maintenance in the long term. An automated program that inventories buildings and their mechanical components, identifies and schedules preventive maintenance activities, and reports to management on facilities' conditions is key to efficient airport management. This project will allow the airport to implement the use of Maximo as it is being used in the regional facility offices.
