None. SAFETEA-LU Earmark

Project Description/Justification:

The Inter-Island Ferry Authority (IFA) received a SAFETEA-LU Section 3044 federal earmark of transit funds towards development of new ferry terminal facilities at Wrangell. New Wrangell terminal facilities are required in support of their northern system operation. The initial funding will support a reconnaissance and preliminary engineering effort to locate a suitable site on the Wrangell waterfront and scope out a suitable facility to meet IFA terminal needs in Wrangell.
