

Fort Yukon: Airport Improvements**FY2007 Request: \$4,725,151**
Reference No: 41727**AP/AL:** Allocation**Project Type:** Construction**Category:** Transportation**Location:** Fort Yukon**Contact:** John Torgerson**House District:** Interior Villages (HD 6)**Contact Phone:** (907)269-0727**Estimated Project Dates:** 07/01/2006 - 06/30/2011**Appropriation:** Airport Improvement Program**Brief Summary and Statement of Need:**

Resurface and include a dust palliative on the apron, taxiway and runway at the Fort Yukon Airport. Extend and widen the safety area. Correct drainage problems, and clear overgrown vegetation. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

The existing runway is now rutted, coarse and soft in some areas. Dust from the airport is a major health and safety concern by the community. Maintenance and Operations has difficulty dealing with the vegetation overgrowth on the operational surfaces and drainage problems are evident during break-up and wet weather.
