Additional Information / Prior Funding History:

None. SAFETEA-LU Earmark. Local match required.

Project Description/Justification:

This project is intended to provide funding to advance significant transportation research on critical national transportation issues and expand the workforce of transportation professionals.

Due to federal law this earmark must be received by the Department of Transportation and Public Facilities as the designated state transportation office. This is not a state-sponsored project and information regarding it's purpose and need, sponsorship or intended use is not known at this time. Staff are continuing to research this project.
