Additional Information / Prior Funding History:

None. SAFETEA-LU Earmark. Local match required.

Project Description/Justification:

This project will provide access to a gravel source for the relocation of the community to the mainland. Shishmaref is in imminent danger of being washed out to sea due to wave action during storms. Moving the community to the mainland will move the residents out of danger in the event of a sea storm.

Upon project completion, maintenance will be turned over to the Village of Shishmaref.
