Project Description/Justification:

The Alaska National Guard (ANG) Counter Drug Support Program (CDSP) currently assists law enforcement agencies which participate in an investigation or prosecution that results in a federal forfeiture. Participation in the seizure allows the state to receive a share of the federal funds when forfeiture situations occur. These funds will be receipted and expended in accordance with the U.S. Department of Justice's (USDOJ) guidance, "A Guide to Equitable Sharing of Federally Forfeited Property for State and Local Law Enforcement Agencies". State expenditure of funds will be made in the area of technological support supplies and/or facility improvements which support the program. Expenditures are in accordance with USDOJ program guidelines.
