Brief Summary and Statement of Need:

This amendment increases the project funding from initial \$9,000,000 to \$14,000,000 in University Receipts. This project is to construct a parking garage in association with the UAA Integrated Science Facility. It is being designed for 450-600 car capacity. A portion of the Integrated Science project funding will be dedicated to this project. This request is for the remaining receipt authority needed to account for additional project funding through user fees, parking fees, and debt service.
