

Senator Albert Kookesh
2007 Discretionary List for House District 5 (Senate District C)
April 23, 2007

Angoon

Chatham School District: Angoon Schools—Plow Truck (\$40,000). Angoon schools depended on the Angoon City to clear parking lots and school pathways and other school-related areas. The City of Angoon was unable this year, to plow those needed areas because of lack of money and lack of proper equipment. The Chatham School District needs to have their own plow truck to keep the schools open at all times. The truck will also be used for maintenance during the summer, spring and fall times when snow is not a factor.
