

**State of Alaska  
FY2009 Governor's Operating Budget**

**Department of Education and Early Development  
Child Nutrition  
Component Budget Summary**

**Component: Child Nutrition**

**Contribution to Department's Mission**

To support student learning and academic achievement through several federally funded child nutrition programs that provide nutritious meals to children and students participating in food programs throughout Alaska.

**Core Services**

- Administers the National School Lunch, School Breakfast, After School Snack, Special Milk, Summer Food, Child and Adult Care Food, Food Commodity, and Temporary Emergency Food Assistance Programs for Alaska. All programs are administered under the United States Department of Agriculture (USDA) Food and Nutrition Services, and the Food Commodity Distribution Program;
- Provides training, technical assistance, on-site compliance reviews, and monitoring for all federal food program sponsors to ensure compliance with federal regulations and department policy; and
- Processes and approves annual participation and federal meal reimbursements for all approved and compliant food program sponsors, according to federal requirements and in accordance with Alaska Statute (AS) 14.50.010.

FY2009 Resources Allocated to Achieve Results		
<b>FY2009 Component Budget: \$35,543,600</b>	<b>Personnel:</b>	
	Full time	9
	Part time	0
	<b>Total</b>	<b>9</b>

**Key Component Challenges**

- Expansion of federal child nutrition and food commodity programs participation throughout Alaska in the face of competing funding priorities and local challenges;
- Provision of additional resources, training, and technical assistance to food program sponsors to operate affordable nutrition and commodity programs, and to improve sponsor oversight and integrity across all of the federal food programs; and
- Increasing sponsor interest in operation of summer food programs challenged with short operation periods and federal program requirements.

**Significant Changes in Results to be Delivered in FY2009**

No significant changes in results to be delivered in FY2009.

**Major Component Accomplishments in 2007**

- Implemented steps to improve sponsor compliance and program integrity through 1) distance delivery training sessions, 2) specialized distance delivery training sessions by program type, 3) increased frequency of technical assistance and follow-up visits to sponsors with/potentially with significant non-compliance concerns, and 4) created new guides and tools to help sponsors understand and comply with problematic or new federal

requirements.

- Completed installation of a new database system used by the department for child nutrition and commodity programs. The new system allows sponsors to submit on-line applications, commodity food orders, and claims for meal reimbursement.
- Increased access of low-income children to free school meals through the Direct Certification list released to school districts in a secure and confidential manner. Children are from households participating in the Food Stamp and/or Alaska Temporary Assistance.
- Collaborated with the Department of Health and Social Services in a Team Nutrition grant that resulted in the sample Local Wellness Policy, a Local School Wellness Toolkit, and Local Wellness Institutes for all school districts and residential child care institutes now required to meet new federal Local Wellness Policy requirements.
- Collaborated with the ad-hoc Child Nutrition Services Advisory Council to identify and recommend healthier processed food items that school districts, child care centers, and residential programs can purchase from food vendors and support the 2005 Dietary Guidelines for Americans.
- Collaborated with the Department of Environmental Conservation to provide training and clarification to food program sponsors at annual conferences and institutes to better understand new state regulations for Food Safety.
