Matanuska-Susitna Borough - Knik Elementary School Library & Technology Upgrade

State Funding Requested: \$7,500**House District: 15 / H**

One-Time Need

Brief Project Description:

School Library/Technology Upgrade.

Funding Plan:**Total Cost of Project: \$7,500***There is no other funding needed***Detailed Project Description and Justification:**

These funds are needed to replace and repair damaged books and purchase new titles so that students have adequate research and literary materials for their education. In addition these funds are also needed to ensure that students have access to working and updated computers and technology for research and other educational purposes. Books have become worn and new titles are being printed and the library needs replace and expand its book collection. Likewise, as computer and electronics technologies are advancing current systems require upgrades and replacements to provide students the access to electronic databases and resources that they need for their education. As more and more information becomes available in electronic digital format it becomes increasingly important to educate students how to access and utilize these resources.
