Anchorage - Klatt Road Pedestrian Facilities - C Street Trail to Via Appia Road (North side)

State Funding Requested: \$250,000**House District: 28 / N**

One-Time Need

Brief Project Description:

This project will construct pedestrian facilities on the north side of Klatt Road between Via Appia and the existing trail system along C Street. This portion of Klatt Road is state owned.

Funding Plan:**Total Cost of Project: \$250,000***There is no other funding needed***Detailed Project Description and Justification:**

The 2009 request is expected to fully fund the project for construction in 2010 or 2011. No sidewalk exists on the north side of the road. This is a "missing link", connecting residential neighborhoods with the C Street trail. In 2008, the Legislature provided funding for this project that was later vetoed.

Project Timeline:

Design expenditures will occur in 2009. Easement acquisition and utility expenses will take place in 2010. Construction spending is anticipated in 2010/2011.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:
