Anchorage - Nunaka Valley Street and Pedestrian Upgrades

State Funding Requested: \$50,000**House District: 19 / J**

One-Time Need

Brief Project Description:

This project will construct drainage, pedestrian, and pavement improvements in this neighborhood. This request will fund a study to determine long-term needs, solutions, and costs.

Funding Plan:**Total Cost of Project: \$50,000***There is no other funding needed***Detailed Project Description and Justification:**

The local roads in this area are deteriorating to the point that maintenance is no longer cost effective and safety may be impacted. The storm drain system may be contributing to the surface issues so it needs to be evaluated. This project is a priority for the Northeast Community Council.

Future capital projects are expected to be recommended as a result of this study.

Project Timeline:

Design and public involvement expenditures are expected to occur in 2010/2011.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Municipality of Anchorage
