**Project Description** **Principal's Priority** 3

Science Elective Equipment - Further development of our science elective blocks. The D.O.D. has been actively promoting science education in Rural (S.E.) Alaska. Money from this grant would fund similar projects in our science curriculum. The greatest impacts would be in our Rocketry, Science Olympiad and Environmental Science elective classes. Hands-on projects further our career discussions with our students. Pitsco: Sorcerer Airplanes \$120, Fantastic Flight \$16, Airplane package \$170, Tech Glider packs \$120, Delta Bands \$20, Spruce strips \$20, and Wasp packages \$60.

**Benefits if Project is Funded**

Success in Science Olympiad could result in an invitation to the National Competition. We hope to build bridges with community experts who can assist in our classes.
