Anchorage, Alaska 99504-3135
(907) 742-4000

Please find attached two documents representing the Anchorage School District's 2009 Legislative Requests for your district.

The first document is titled "2009 Legislative Grant Request". This is a list of needs and items that have been identified by the individual school principals with input from the community. This list was reviewed by the Capital Request Advisory Committee and senior ASD Administration. The report is divided by schools that are physically located in your district and schools that are outside of your primary district but serve constituents from within your district. The requests are sorted by school and by priority specified by the principal.

The second document is titled "2009 Unfunded Building Needs Report". This is a list of infrastructure needs that is maintained by Anchorage School District's Facilities and Maintenance Departments. As above, the report is divided by schools that are physically located in your district and schools that are outside of your primary district but serve constituents from within your district. The requests are sorted by school, and identified by infrastructure priority, listed below:

A – Facility Infrastructure (BSR) Priorities

1. Unfunded loss of use of a facility.
2. Fire Code & Life Safety & Security needs.
3. Protection of Structure, Failing or soon to fail system/equipment.
4. System/Equipment close to the end of the life, Energy Conservation Measures.
5. Improvements to existing site or facility not required for basic mission needs.
6. Code Upgrades that are not life safety issues now, but may become so in the future.

B – Facility Program Priorities

1. Un-housed students, Classroom space/program functionality.
2. Un-housed basic core program spaces. (IMC, MPR, Gym, Etc.)
3. Un-housed elective program spaces.
4. Lack of / or inadequate, program site amenities.
5. Lack of / or inadequate, support service spaces.
6. Master planning for new or enlarged facilities.
