Primary Senate District: J **Secondary Senate District(s):** K

Project Description **Principal's Priority** 3

Purchase 1 mobile computer recharging station cart to hold our top 15 laptops each that will allow computers to be easily accessible to multiple students in their classrooms vs. only in the computer lab.
Purchase 10 wireless ready MacBooks laptops to be stored/recharged/transported tin the mobile cart. These laptops will utilize our wireless service to be able to access Skills Alaska and other learning websites with intensive progress monitoring by staff
1 Robust wireless network per ASD IT for Susitna Elementary to provide a building-wide wireless network.

Benefits if Project is Funded

Students will be able to use computers individually, in partners, an in small groups to improve targeted instruction needs across the curriculum.

Impacts if Project is not Funded

Expand learning options for all student and schools by developing and maintaining dependable access to advanced technologies and telecommunications connectivity. Encourage adequate technology infrastructure, technical support and training. Increase academic achievement across all content areas through the meaningful and effective use of technology by students, teachers, and administrators.
