Kodiak Women's Resource and Crisis Center - Security Fence Replacement

State Funding Requested: \$13,000
One-Time Need

House District: 36 / R

Brief Project Description:

For increased safety for women and children staying in our Shelter we need to replace the security fence. We also hope to build an out building storage shed, to have a safe place to store our outdoor equipment.

Funding Plan:

Total Cost of Project: \$14,000

Detailed Project Description and Justification:

KWRCC provides temporary emergency shelter to victims of domestic violence and sexual assault. This calls for safe and secure facilities. The current fence affords little physical security (boards are loose and easily moved) and almost no visual security (passersby can easily view into the facility from the street) - threatening the safety and security of clients staying at the facility.

There currently is no outside storage for power equipment (weed-whackers, lawnmowers) or flammable liquids (gasoline) posing a health risk for children staying at the facility.

Project Timeline:

This project should take about 6 weeks to complete. If funded it will be scheduled for spring/summer of 2009.
