Anchorage - 13th Avenue Gateway Element Improvements

State Funding Requested: \$100,000**House District: 23 / L**

One-Time Need

Brief Project Description:

This project will construct safety improvements in the form of gateway enhancements in the Fairview community.

Funding Plan:**Total Cost of Project: \$100,000***There is no other funding needed***Detailed Project Description and Justification:**

This project will construct a gateway to the Fairview area to elevate the sense of community in the neighborhood. This element is another piece in the ongoing revitalization of Fairview. This project is the next phase of safety improvements for this intersection and this neighborhood. This phase of the project has not started. Construction is anticipated in 2010. This intersection is one of the most hazardous for pedestrians in the state of Alaska. This project is the No. 1 priority for the Fairview Community Council.

Project Timeline:

Design is expected to occur in 2011 and construction expenditures are expected in 2012 and 2013.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Municipality of Anchorage
