Detailed Project Description and Justification:

Newtok Traditional Council is trying to get permit for landfill at new village site. We got quoted for the job by an engineering firm in Anchorage. We submitted all the necessary paper work for permitting process except for landfill design. We applied for the grant in trying to get funds for it and USDA is asking for 25% matching funds from state or local.

Project Timeline:

The process is expected to be 1 year time line. So, if projected is awarded in June 2010, it will continue to June 2011.
