Explanation of Other Funds:

The PTA has approximately \$30,000 funds available, plus the \$7500 in state funding from FY 09, available for a match.

Detailed Project Description and Justification:

This funding will purchase new playground equipment to replace aged and dilapidated equipment currently being used by students. The current equipment is worn, has missing hardware or components, and does not comply with the American Disabilities Act or meet national playground safety standards.

New equipment would improve safety, provide a higher play value than currently exists, due to the lack of varied components, and meets the needs of children ages two to 12 years.

Equipment will be purchased upon receipt of funding.
