<b>Total</b>	<b>\$42,000</b>					

*Explanation of Other Funds:*

The Anchorage Park Foundation is the proud recipient of a 5 year grant from the Rasmuson Foundation to rehabilitate Anchorage neighborhood parks. The APF plans to invest \$33,000 in improvements to Cheney Lake Park in summer 2010, to be matched by volunteer contributions.

**Detailed Project Description and Justification:**

The Anchorage Park Foundation and the Parks & Recreation Department are working together to address the fix-its in neighborhood parks throughout the city, using the Anchorage Parks Report Card to identify priority repairs. More than 1,000 community volunteers evaluated 53 neighborhood parks based on cleanliness, safety, structure, appearance, and function.

We're working hard with community park committees comprising Community Council members, user groups and park neighbors to prioritize the Fix-It lists, build volunteer support and plan this summer's work.

Participants expressed concerns about cracks in paved pathways, eroding hillsides, broken picnic tables and benches and litter problems in the play areas and green spaces. The neighborhood is extremely passionate about the condition of the trail network within Cheney Lake Park, which connects the park to surrounding areas.

This summer, we plan to scrape together public and private funding with volunteer efforts to make a difference in the Northeast community. Please join us.
