This will provide for the purchase of new replacement white writing boards for all classrooms at Weller Elementary School. Classroom chalkboards are wearing out after 26 years of use. This will also eliminate the presence of chalk dust in classrooms around computers and other electronic devices, eliminating some wear and tear problems. The school district will provide the labor to remove and dispose of the old chalkboards and install the new writing boards.

Project Timeline:

The writing boards will be purchased in the fall of 2010 and install during the 2010/2011 school year. The project will be completed by the spring of 2011.
