Total	\$2,600					

Explanation of Other Funds:

Juneau Home Depot donated building materials for the studio construction, Skaggs Foundation donated \$2000 for tech equipment

Detailed Project Description and Justification:

This project will enhance the infrastructure of the JDTV studio at Juneau Douglas High School. The tripods will allow for the use of professional grade video cameras. The Camplex equipment will upgrade electrical and video connections to the school auditorium and gym. The Tally System & Teleprompter are studio broadcast upgrades. JDTV Channel 6 has been a successful, student run, studio program that allows volunteers an opportunity to develop communication skills, technical equipment training, and writing skills. News, school information, public service and activity announcements provide vital communication to the student body and faculty.
