Re: Capital Appropriation Request

Dear Senator Kookesh:

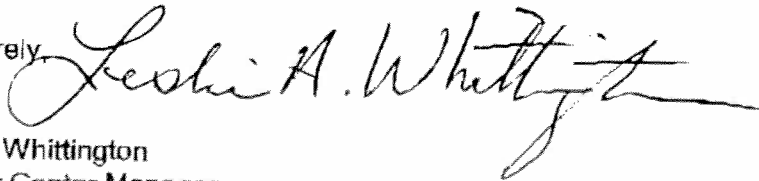

I am writing a letter of support for the Haines Senior Center Deferred Maintenance request to re-roof the building for the estimated cost of \$50,000. This request is a top priority for our community's senior center.

During this past winter's snow storms sections of the roof blew off and there was significant leakage. Re-roofing the building will prevent further damage and will insure a safe, comfortable Center for the Haines seniors for years to come.

This past year, the staff at the Haines Senior Center provided 4,442 meals for the Haines seniors out of the facility. We continually strive to invite senior citizens to the center to enjoy the nutritious meals and many activities held there. Keeping the center in good repair will help us attract seniors and give them pride in their building.

Thank you so much for your help. Should you need any additional information regarding this capital appropriation request, please call me at 766-2383.

Sincerely,

Leslie Whittington
Senior Center Manager

Re: Haines Senior Center

Dear Senator Kookesh:

I write today in support of the Haines Senior Center capital appropriation request for funds to re-roof the Senior Center Building.

The Borough supports the Haines Senior Center in their efforts to provide nutritious meals and social events for the seniors of our community.

During this past winter, storms have blown sections of the roof off causing significant leakage and the closure of the center. Your support for this capital appropriation request will allow the center to provide consistent and dependable services for the seniors.

I urge you to favorably consider Haines Senior Center's request for funding through the capital appropriation process.

Sincerely,

A handwritten signature in cursive script that reads "Jan Hill".

Jan Hill
