Re: Capital Appropriation Request

Dear Senator Kookesh:

I am writing a letter of support for the request of \$5,500 to purchase an electric range and a meat grinder for the Kake Senior Center. This request is a top priority for our community's senior center.

We are in need of a new electric range, as the current one is past its useful life and barely works (it may be as old as 20 years!). Also, we receive many subsistence donations and a meat grinder will help us process these (moose, for example) and will make the food stretch farther.

Last year, the staff at the Kake Senior Center provided 2,571 meals to senior citizens who came to the center and 4,926 home delivered meals for Kake's homebound elders. We continually reach out to all of Kake's older senior citizens so that they can maintain their health and independent living for as long as possible.

Thank you so much for your help. Should you need any additional information regarding this capital appropriation request, please call me at 785-3172.

Sincerely,

Wanita James - Senior Center Manager

Re: Capital Appropriation Request

Dear Senator Kookesh:

I am pleased to write this letter of support for the capital request of \$5,500 to purchase an electric range and a meat grinder for the Kake Senior Center. This request is a top priority for our community's senior center.

The senior center program is in need of a new electric range, as the current one is past its useful life and does not work. A meat grinder will help the senior center cook process the many subsistence donations and will make the food stretch farther.

Last year, the staff at the Kake Senior Center provided 2,571 meals to senior citizens who came to the center and 4,926 home delivered meals for Kake's homebound elders. The senior center provides valuable services for all of Kake's older citizens in order to help them maintain their health and independent living for as long as possible.

Thank you so much for your help. Should you need any additional information regarding this capital appropriation request, please call me at 785-3804.

Sincerely,

Henrich Kazake
Mayor
