## Shaktoolik - Heavy Equipment Purchase

**State Funding Requested: \$194,800****House District: 39 / T**

One-Time Need

**Brief Project Description:**

The City of Shaktoolik needs a tractor to clear city streets and to clear snowdrifts away from power lines.

**Funding Plan:****Total Cost of Project: \$194,800***There is no other funding needed***Detailed Project Description and Justification:**

The City of Shaktoolik is in bad need of a dozer. It is needed for road maintenance, snow clearance, land fill work and to clear snowdrifts away from power lines. Shaktoolik has serious drifting problems and snowdrifts build up so high that they come within reach of electrical lines posing a threat to our children and people riding snowmachines. We are also subject to severe Fall storms and need heavy equipment to deal with storm threats and repair of storm damage.

**Project Timeline:**

The equipment will be ordered as soon as funds are available and delivery will be scheduled for this fall.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

The City will be responsible for maintenance and operation costs.

The City of Shaktoolik is in drastic need of a tractor due to constant snow storms causing snowdrifts to come within reach of our electrical lines posing a threat to our children. They are always wanting to touch the electrical lines and the lines are also dangerous to our snowmachiners. We need a tractor very, very badly in case of house fires, road maintenance, and for land fill work. We also have very high fall winter storm floods also posing life, health & safety of our residents & our heavy equipment. Listed below is an estimated cost for a tractor & freight charges...

1. DGKLGPFCT Tractor - \$153,800.00
2. Freight to Shaktoolik - \$41,000.00
3. Total \$194,800.00
