Detailed Project Description and Justification:

The Fairbanks North Star Borough conducted a maintenance survey in 2009 to determine the major maintenance needs of the main fire station facilities. The survey identified necessary repairs and upgrades of Steese Fire Station #2. In February, 2010, the Steese Fire Service Area voted to approve spending \$100,000 as a match towards this project. Fire service area funds come from property taxes paid by service area residents.
